China: Chinese Government Scholarship (CSC) 2027/28 Deep-Dive

Phase 5, Priority 3. Status on 7 November 2026

Evidence:

- campuschina.org blocks automated access (error 412).
- Chinese embassy and university sites are outside this machine's allowed list.
- So everything here is **E2**: official pages found by search but not opened directly.
- Open each link in your browser before you rely on a date.

The Estonia embassy notice you flagged was not used, because its year references are inconsistent.

Answers to your questions

Question	Answer (7 Nov 2026)	Ev.
Has the Chinese Embassy in Ethiopia published a 2027/28 call?	**Not found.** Searches of et.china-embassy.gov.cn and moe.gov.et returned no 2027/28 notice. Other embassies published theirs on **23–27 Oct 2026**: Maldives (deadline 29 Jan 2027), Timor-Leste (documents by 20 Dec 2026), Indonesia (14 Feb 2027), South Sudan (hard copies 20 Jan 2027; another listing says 5 Feb)	E2
Application route for Ethiopians	Two routes. **(1) Type A, Bilateral Program:** through the dispatching authority. For Ethiopia this is the **Ministry of Education**, coordinating with the Chinese Embassy (the MoE runs the nomination). **(2) Type B, Chinese University Program:** apply directly to a Chinese university that holds a CSC quota	E2/E3
Category and agency number	**Type A:** the agency number belongs to the dispatching authority. **It was not found in any source.** Ask the MoE or embassy for it; do not guess. **Type B:** the agency number is the university's code. Examples: **UESTC 10614**, **NUIST 10300**, **Central South University 10533** (from older pages; recheck for 2027)	E2
Master's age limit	**Under 35 when applying** (Indonesia 2027/28 notice; DUT 2027 page). Check this privately against your passport. This file does not use your age	E2

Question	Answer (7 Nov 2026)	Ev.
Pre-admission requirement	**At least one pre-admission letter or document from a university you applied to** (Indonesia and South Sudan 2027/28 notices). **Start university applications now.**	E2
English-taught programmes	**Yes.** Chinese-taught master's need **HSK 4**; English-taught ones do not. 2027 English-taught lists exist, e.g. DUT, and HUST lists Computer Science and Technology in English	E2
Coverage	**Full scholarship:** tuition, on-campus housing (or a subsidy), **CNY 3,000/month** for master's, and comprehensive medical insurance	E2
International travel	**Depends on the route.** A Type A notice (Bangladesh 2025) lists round-trip airfare. Type B normally does not. **Assume you pay unless your notice says otherwise**	E2
Exact Ethiopian deadline	**Not yet published.** Other countries' 2027/28 national deadlines range from **20 Dec 2026 to 14 Feb 2027**. Plan as if the Ethiopian deadline could be as early as **mid-December**	E2

University shortlist (Type B, English-taught computing)

Scholarship eligibility is not the same as admission.

- Each university admits you **and** decides its own CSC Type B nominations.
- It judges your transcript, study plan and recommendations.
- The tier column reflects general reputation, **not a published admission rule**.

University	English-taught option	2027 Type B window	Agency no.	Tier (general reputation)	Fit for your profile
Dalian University of Technology (DUT)	2027 English-taught master's list	**1 Nov 2026 – 15 Feb 2027**; master's applicants under 35	check	Top tier (985)	Competitive. Strong programme range
Northwestern Polytechnical University (NPU)	2027 master's guide	Deadline **28 Feb 2027, 17:00 (UTC+8)**; "apply early"	check	Top tier (985)	Competitive
Huazhong University of Science and Technology (HUST)	Computer Science and Technology (English), listed under the Silk Road Program	**15 Oct 2026 – 25 Feb 2027**	check	Top tier (985)	**Check whether Ethiopia is a Silk Road country** before applying
UESTC	Computer science, software engineering, cybersecurity (English)	check 2027 page	**10614**	Top tier (985)	Competitive; strong in networks and security

University	English-taught option	2027 Type B window	Agency no.	Tier (general reputation)	Fit for your profile
Central South University	Computer Science and Engineering (English-taught)	check 2027 page	**10533**	Top tier (985)	Competitive
NUIST (Nanjing University of Information Science & Technology)	MSc Computer Science and Technology (English)	2026 Silk Road deadline was 20 May; check 2027	**10300**	Not 985/211	**Potentially more accessible**
Hohai University	Type B page	Older page: 30 Apr each year (check)	check	211	Potentially more accessible

Suggested approach:

- Apply to **3 universities**: one top-tier (DUT or UESTC) and two potentially more accessible (NUIST, Hohai).
- Request pre-admission letters in **Nov–Dec 2026**.
- Then file the Type A application through the MoE when the Ethiopian call appears.

Avoid: universities whose master's is taught only in Chinese, and Zhejiang University (Type B deadline 31 Dec in the last cycle; very selective).

Document checklist (common to 2027/28 notices; confirm each one)

1. CSC online application form (campuschina.org, which opens in your browser) with the correct **agency number**.
2. Passport copy (valid well beyond the start date).
3. Notarised degree certificate and transcript, plus English translations if needed (yours are in English).
4. **Study plan or research proposal**: usually at least 800 words for master's. Draft in `09_APPLICATION_DOCUMENTS/China_CSC/`.
5. **Two recommendation letters** from professors or associate professors (your DTU lecturers).
6. **Pre-admission letter** from at least one university.
7. Foreigner Physical Examination Form (hospital in Addis).
8. Police clearance certificate (non-criminal record).
9. English evidence: an IELTS result or a medium-of-instruction letter from DTU (each university states its own rule).

Actions

When	Action	Who
This week	Ask the MoE Scholarship Directorate: (a) when the 2027/28 CSC call opens; (b) the Type A agency number; (c) whether Ethiopia nominates for TIPP (Thailand) and MASS (Mauritius). The message is in `APPLICATION_EXECUTION_CENTER/05_READY_TO_SEND_EMAILS`	You (after approval)
Nov–Dec 2026	Apply to 3 universities and request pre-admission letters	You

When	Action	Who
Dec 2026	Medical form, police clearance, notarised copies	You
When the call opens	Submit the Type A application through the MoE; Type B through each university’s own system by its deadline	You
