Verified Opportunity Register v3

Official-source verification pass, 7 November 2026

> **Correction notice (7 Nov 2026, Phase 5):** the AISS, EDISS, CMU-Africa, Sweden SI and Türkiye entries are corrected in `P1_Research_Corrections_v1.md`. Where the two differ, the corrections file applies. The AISS line "GPA is not a scored criterion" was wrong: your transcript is part of the documents assessed.

How to read this register

Evidence scale:

Code	Meaning
E0	Your own documents
E1	Read directly on the official source in this session (snapshot saved in `Official_Evidence_2026-11-07/`)
E2	Official-source search result, not yet read directly
E3	Secondary source

Your academic facts (E0, read from the scanned transcript):

- CGPA **2.62 / 4.00** (627.75 / 240 credits)
- Final-year (Year 5) GPA **3.20** (137.75 / 43)
- Last-two-years (Years 4–5) GPA **2.98** (282.75 / 95). This is my calculation on DTU's scale; the university must confirm it.
